**VETERAN AID AND ATTENDANCE PENSION - FREE SEMINAR**

**Forest Grove** – Veterans and their families are invited to attend a free informational seminar on Saturday, November 12, from 2:30 – 4:00 pm at the Jennings McCall Center. Patty Servaes, founder and CEO of Elder Resource Benefits Consulting and a nationally recognized expert on Veteran Benefits, will be the presenter.

Veterans are faced with many questions when applying for Veterans Aid and Attendance...Do I qualify? How does the application process work? When are you or your spouse eligible for benefits? Will it help in funding an assisted living or retirement home? The seminar will answer these questions and provide a step-by-step approach to applying for Veterans Aid and Attendance.

Jennings McCall Center is a community resource to families exploring the ‘best fit’ as they consider moving into a retirement or assisted living community. The seminar will educate retirees and their families on issues they are confronting and will provide advice from our expert. The seminar is free and open to the public. Refreshments will be served.
